

INTRODUCTION TO **Medical Subject Headings (MeSH)**

Register Here:

If you are unable to attend, a recording will be emailed after the session.

August 20th , 2026

1:00 PM–2:00 PM

HSEB B402

This library session will cover:

- What Medical Subject Headings (MeSH) are and how they improve searching.
- Accessing the MeSH database.
- Creating a search using keywords and MeSH.
- Accessing tools to help formulate MeSH terms (including AI tools).
